Introduction

Worldwide Service Network Facilities

Pratt & Whitney Canada Corp. (P&WC) is pleased to present the Worldwide Service Network Facilities booklet. The P&WC Service Network consists of an extensive worldwide network of P&WC-owned Service Centre facilities, and independent Designated Overhaul Facilities (DOFs) and Distributors.

These P&WC owned and appointed facilities have the necessary training, technical capability, quality system, equipment, service tooling and test cells to support the maintenance, repair and overhaul of the engine models indicated. In addition, these facilities are authorized to administer P&WC warranties for the engine models indicated. The level of support (heavy maintenance or full overhaul) offered by each facility for a specific engine model is identified in this booklet by a distinctive symbol.

P&WC's goal is to provide all of its valued customers with the best support in the industry. P&WC, together with its own Service Centres and independent DOFs, ensure this support worldwide.

Yours truly,

Pratt & Whitney Canada Corp.
